

SMD 1236CES Plus

SPARKY

HD PROFESSIONAL

Burnishing Machine

Comes complete with:

Flap wheel Ø100x100 mm, Anti-vibration side handle, Safety guard, Spanner, 2 hex keys

HEAVYDUTY

Dust protection for an extended tool life due to improved spindle construction and coated rotor and stator

Auto-stop brushes

Safety switch with lock on function

Anti-vibration side handle

Compact and lightweight design

Versatile burnishing and polishing machine for optimum finishing of various materials

Magnesium alloy gearbox housing

Multifunction switch to prevent accidental switching on, lock-on function and switching off. Autostart protection against mains drop-out

Electronics features:

- Electronic speed pre-selection
- Softstart with restriction of starting current
- Constant electronics to maintain constant speed under load
- Safety restart cut-out
- Thermal overload protection

Technical data

Model:	SMD 1236CES Plus
Power input (230V~50Hz):	1200 W
Max. flap wheel diameter:	110 mm
No load rpm:	800–3600 min ⁻¹
Tool holder:	M14
Weight:	2.6 kg
